

WHY ROCKALL SAFETY?

Competitive Pricing

We provide high-quality gas detection/safety equipment at competitive prices, delivering value on every order.

Nationwide Coverage

We provide fast delivery and responsive service across the UK, with engineers ready to assist.

Complete Product Range

We supply everything from portable and fixed detectors to calibration gas, tubes, spares, and accessories.

Expert Advice

Our experienced team provides technical advice and guidance to help you choose the right gas detection solution.

Fast Delivery

With nationwide coverage and efficient processes, we ensure quick delivery and responsive customer support.

UK's Largest Portable Reseller (Honeywell)

We're the UK's largest Honeywell Portable Gas Detection reseller, offering the best pricing.

Portable Gas

Portable gas detectors are compact devices used to detect hazardous gases in various environments.

Fixed Gas

Fixed gas detectors are permanently installed devices used to continuously monitor and detect hazardous gases in specific areas.

Escape & Rescue

Escape and rescue involve strategies and procedures to safely evacuate individuals from hazardous situations and provide aid.

Confined Space

Confined spaces are areas with limited entry and exit points not designed for continuous occupancy.

Servicing & Hire

Rockall Safety ensures your gas detector is serviced to the highest standards. Our expert team provides thorough maintenance, calibration, and repair.

Fall Arrest

Fall arrest systems are safety mechanisms designed to prevent or stop falls from heights.
